

## CAE- Support Services

**Utilize the Canadian Awards for Excellence (CAE) criteria as your model for excellence.**

**Lockhart Leadership can show you how:**

Lockhart offers a customized range of support services to assess, plan and help implement your Quality Management System (QMS)\*.

*The Canadian Awards for Excellence (CAE) is sponsored by the National Quality Institute and like it's counterparts in other countries (for example the Malcolm Baldrige National Quality Award in the USA or the Edward Deming Award in Japan) has been used very successfully to achieve new levels of business excellence. Establishing a system to support the award criteria will also position your company very well for quality standards certification. If your company is already ISO 9000 certified you may be well on your way to winning this award!*
