

Corporate Profile

Organizational Enhancement to Improve Business Performance

Lockhart offers a range of services, seminars and workshops tailored to help you achieve your vision of corporate excellence, through the application of best practices, proven methods and internationally recognized standards for quality.

Our clients typically use ISO 9000 based industry requirements (or variants like QS/ TL/ AS 9000) and/ or the criteria for National Quality Award programs like the Canadian Awards for Excellence or the Malcolm Baldrige National Quality Award in the USA, or other local award criteria, to guide and quantify their progress.

Leadership Strategies Based on Proven Methods!

Lockhart is a professional management and quality systems consulting firm, operating in Canada's national capital region.

The strength of Lockhart Leadership lies in our formalized programs for Management Support Services, Quality Improvement Projects, ISO 9000 Implementation Support, Facilitation and Training. Our core of professionals is reinforced by a number of alliances that supply specialized expertise as required.
